“ I met Gary when he was 7 years old and his big sister, Pam, invited me home. He was a bouncy, hip-hoppity, laughing little kid, with the biggest smile ever. He grew up to be a devoted husband, son, brother, and friend. He will be sorely missed.

“ My husband and I worked at PFPC with Gary. I don't think either of us worked with him directly. But I remember Gary and Dave moving in down the street from my parents in Edgemoor Terrace. I would feed their dogs Frank and Gracie. Gary was one of the nicest people I have known. So sorry to hear of his passing. Dave- glad to see that you were able to make so many happy memories together.

“ I had the pleasure of working with Gary-Gary (his nickname) at the newspaper. He was a sweet person and great to work with. There was never a dull moment. Even after he left, Gary, a couple of other co-workers and I had dinner. So sorry, we didn't get to have that dinner after race weekend. He will be greatly missed.

“ My wife Ruth and I were neighbors of Dave & Gary in Sandy Brae. Never met a kinder gentler man. Always happy. Always willing to help out. He tricked out my walker for my knee replacement so it would be “more fun” to get around. We always loved the Halloween decorations! Rest In Peace now, your job is finished here. Dave we will be there on July 20

“ Our good friend Gary- I cannot believe that I will not be able to send you a text and send you an email about a new grandchild or a funny cartoon that I found like I have done for so many years past. We are shocked and so sad that I will not have An opportunity to have one of those big bear hugs every time that I saw you- such a gentle happy man that we are so grateful to have gotten to know. We will miss you tremendously but we will meet again. Prayers to Dave, family and friends. Scherie and Paul Drzymalski

“ I had the pleasure of working with Gary over the past several years through the races and Firefly. Anyone that knew Gary, knew that he was a people pleaser and wanted everyone around him to be happy. He was truly the type of guy that would give you the shirt off his back, or maybe his golf cart. Gary treated everyone with the utmost respect and enjoyed being around people.
I was fortunate in that I was able to work with Gary for 3 weekends a year, but my heart truly mourns for those that worked with Gary every day and for his friends and family. I lift all of you up in prayer.
Gary, you'll be missed and I can't wait to see you again someday brother!
