

Jean-Michel L. Dittmann

March 3, 1945 - March 19, 2022

Jean-Michel “Mike” Dittmann passed away on the morning of March 19, 2022 at the age of 77, surrounded by his wife and family.

He fought a long and difficult battle with cancer in recent years and stayed strong until the end.

Mike is survived by his wife Irmgard, daughters, son-in-law, grandchildren and grand-doggies.

An avid fisherman, devoted husband, father and proud “Opa” to his grandchildren. He loved nothing more than time spent together, especially on the water and was happy to have passed that love of “all things fishing” to everyone he knew.

Mike was an intelligent, honest, hard working and selfless person who never spoke negatively about anyone. He loved his family, friends and his community. He served as President of the Severna Park Rotary Club and as an Auxiliary member of the Station-82 Lewes Fire Department. His love, smile and huge bears hugs will be missed tremendously by all. Prosit Opa!

Services will be private.

Please sign the virtual guestbook located on the tribute page.

“ *My sincere sympathy to Irmgard and daughters. I only learned of Mike's passing today. While I haven't seen or spoken with Mike since his retirement from working at Fort Meade, Md., I want to post and let his family know that I respected Mike and missed him after he retired. He had a significant impact in my career when we worked together and I never forgot it. Mike was smart, hardworking and dedicated. He was a valued leader in the Army organization and I learned a lot from him. In thinking of him now, I have a lot of memories rushing back, a lot of time has passed but the one memory that stands out is that I see and hear him laughing 'loudly' at some joke before the rest of us caught on to the joke. God Bless Mike and happy fishing.*

*Sincerely,
Linda Robinson*
