YOU NEVER SAID GOODBYE

You never said I'm leaving,
You never said goodbye.
You were gone before I knew it,
And only God knew why.

A million times I needed you,
A million times I cried.
If love alone could have saved you,
You never would have died.

In life I loved you dearly,
In death I love you still.
In my heart you hold a place,
That no one could ever fill.

It broke my heart to lose you,
But you didn't go alone.
For part of me went with you,

The day God took you home.

Services will be private.

Memorial contributions may be made in Julian's memory to Shepherd's Office, 408 N Bedford St, Georgetown, DE 19947.

“ I have very fond memories of Julian playing Lego Star Wars at our house with my son. They loved to hang out and spend hours listening to and playing mind craft in their younger years. Julian was creative. He and my son would play ninjas in our house. One time he gi joe crawled down our hallway at 3 am at a sleepover. No doubt having an adventure of some sort. This brings a smile to my heart. You will never be forgotten.

“ I never expected to lose you this soon. I never thought my heart would feel this much pain. I miss the smile, I miss the smirk. I hope you are at peace. I will remember you always. I love you more than you'll ever know. You are the first person to ever call me Grammy.

“ Michael and Lynn, my heartfelt sympathy in the loss of your grandson. You were great grandparents and Julian loved you both very much. You two were always there for him in good times and bad. I remember when Julian was little and you put him to bed and he would stand in his crib and yell Pop Pop. Of course that melted Michael's heart and he would go and get him. Treasure and find some comfort in knowing he loved you. Cousin Kim

“ "Some people come into our lives and quickly go. Some stay for a while and leave footprints on our heart, and we are never, ever the same." Love you more than words can ever express my love. You will live in our hearts forever and will be forever missed. Until we meet again beautiful boy. Love Mom and Ava Rose

“ Can't quite put into words the heartache I feel. Hearing that you were gone nearly knocked the wind out of me. You were my first nephew whom I loved to spoil rotten. Tyler looked up to you from the day he was born and is truly missing you now more than ever. I know you are at peace now and that we will see you again in heaven. Love you Jules (Juju). “ Julian, I never expected to see this day so soon and I'm still heart broken by the thought of you leaving everyone but I know you're looking down on everyone that cared and loved you. We shared plenty of good memories and you were always there when I needed someone the most to talk to. You were the most down to earth person I've ever knew with the sweetest calming voice. I hope to see you again in the near future, you'll always have a special place in my heart forever and always.

“ No amount of words can express the pain that you must be going through. The love and joy that a child brings will never be forgotten. They are always a true inspiration to everyone around them. Death leaves a heartache no one can heal, love leaves memories no one can steal. My prayers and blessings are with you.

“ My dearest grandson. PopPooh will forever hold those memories of you close to my heart. I would give anything to see you once again. To listen to some of your crazy stories and ideas you had. You were the apple of my eyes, and gone way to soon. My faith lets me know that there is no more suffering. I know that God has another angel. My job now is to tell your story. Rest easy my dear man. Tell John Lennon I said hello, and I will see you when my time comes. Love you forever and ever and ever. PoPooh

“ Julio has taught me to love the world in a way I didn't know possible. He was the brother I always wish I had. He was the friend I always needed. And he was always there for me even when we weren't at our best. He always put those around him first. He cared much more about people he loved being happy than anything else. I wouldn't take back any second I've spent exploring the woods with him, watching him grow cactuses, listening to him play music on his guitar. More than anything I'll miss laughing with you Julio. Sharing jokes and smiles, I don't think anyone else will ever make me more satisfied with my reality. I love you Julio. I'll see you in the next one and many more to come. For we've only just begun. - Ethan (Fish) Carter
