“ I had the pleasure of knowing Mrs. Copp. She was a lovely person; always kind and genuine. Kay had a way of making everyone feel welcome in her home. Her love of her work and the family business was only surpassed by her love for her family. I am grateful for the positive impact she had upon me during my formative years. Rest In Peace, Mrs. Copp.

“ Kay and I were in first grade together, she was my first best friend. Our children went to school and became friends. Later in life it was seeing Kay at the Copps Seafood store and sharing stories of growing up in Lewes. Kay will be missed by all who knew her. Carole Gibson

“ RIP. Mrs Copp. I wasn't a friend but as a customer she made you feel like one with her pleasant and kind demeanor. She will be missed by the customers who have frequented the best place around for fresh seafood for years.

“ We would like to express our condolences to the family for your loss. If we were buying seafood for a meal or celebration Copp's was the place to order. We will miss hearing Mrs. Copp's pleasant voice answering the phone and giving us the options that were available. Then, when we picked up our order we would catch up on all the local news. It would be hard to find a nicer person than Kay Copp.
