“ Terry and Kenny,
Your Mom and Dad, Henry and I, become great friends over Canasta games, barbecues, the Moose Lodge, and so many other ways.
When Henry passed away, your Dad would pop in to say hello and have a cup of coffee. It was his way of making sure I was okay and dealing with my new life without Henry.
When your Mother passed away, I tried to do the same thing for your Dad. Our friendship was genuine and I am going to miss him terribly.
I wish your entire family love and peace as you now have to get used to the new normal, Dad isn't with you anymore on this earth. But I can tell you this - he loved each and every one of you.
God Bless You All!
