“ It is with great sadness that we have lost such a beautiful person. Kim volunteered at the Cape Henlopen Senior Center and was eventually hired as our office assistant. What a joy and pleasure to work with her. Always had a smile and never had a negative word toward anyone. We will miss her. To the family cherish the fond memories that you encountered on earth. God has a plan and we don't understand however, as believers in Christ we will see her again. She is resting in God's arm. Praying for you and the family.

“ My condolences to Keith and children as well as her siblings, Jimmy and Jami and their families. I was a good friend of Bill and Orv. We had wonderful, wonderful times as a neighborhood family friendship and fellowship. What memories!!! I remember when you got married, seems like yesterday and Bill being emotional as his kids got married. Both of your parents were great friends , loving and loyal. Outings at the Swattie and picnics in the back yard on Pershing Avenue, playing games were a weekly thing with great food/ cooks. My thoughts and prayers are with you!

🙏 Affectionately

“ I will remember all the good things she brought to this community, her smiling, friendly face. How generous she was from many clams to killer better than Fishers popcorn. To see her yellow golf cart was to see happiness riding down the road. Keith her loving husband always the passenger laid back and enjoying the people she encountered on her runs. Even when yellow sunshine could not be used anymore her mr green jeans golf cart like so many others, one could tell it was her. An aura surrounded her way before you could see it was she and Keith. She will be missed by many and may God hold Keith in his hands while he goes down this very difficult path called life. She is free and I'm sure spreading happiness where she is. Till we meet again Kim, take care❤️
