“ I met Dani & Jackie's "Mom Mom" when I went to Delaware for a visit with Dani in 2004.

After visiting and having a meal with her my first impression of her was that she reminded me of a sweet Southern Dame with a very sweet personality. She was loved so very much by Dani and Jackie and I am so very sorry for their loss. She will always be in the hearts of her family and will never be forgotten. Praying for her children, grand children and her friends.

“ As well as Christina, who is Danielle & Jackie's sister. I'm an easy one to forget, I understand. Nonetheless, mom-mom was a selfless and caring person who will be greatly missed by all.
