Louise, as many knew her, was a devoted member of the East Gate Presbyterian Church in Millsboro. She was known by many for her outgoing personality and her most generous nature. “ Your mother was a dear friend for years and years. We sat at the kitchen table with a cup of tea and laughed and cried over many things. I'll miss her, especially the letters at Christmas. Thank you Louise for being my friend. Rest in peace with Jesus.

“ Mrs. Greener was like another mother to us as she helped raise us, me, literally days after I was born, in her always warm and welcoming home. I think about her all the time to this day nearly 50 years later. It's true what everyone has said, she had so much joyful energy and love to give - it was an ever-flowing infinite fountain that poured from her heart. I was so lucky to get to spend an afternoon with her the last time I was home. It is a day with conversations I will hold dear to my heart for the rest of my life. We were so happy to see each other. I love you so deeply, Mrs. Greener. I feel so blessed to have had you as a friend and guardian. So so so lucky. My sincere condolences to all of you, (wow, so many beautiful grandchildren just like her!) and everyone who is experiencing her loss. Without doubt, her radiant spirit shines on in all the hearts she touched with her love. - Carla Jo Bailey

“ Loved my American mum to bits. Will miss the birthday and Christmas cards with notes about family, handwritten and so personal. Trips this side of the pond will seem strange without that all important hug. It was a privilege to have known such a beautiful lady for so long, very, very special. God bless mum Rita Ray and family

“ I was fortunate to call this beautiful woman Mom-Mom for the past 46 years. She was the most amazing person and thought of others before herself. I have many fond memories of our visits together and phone conversations that would leave both of us laughing so hard we cried! Rest peacefully Beautiful. I love you so much. Shannon and Scott

“ To Mrs. Greener's family,  
I went to school with Cathy and my children went to school with Dean, Lance, and Shaun. You Mom was always smiling and cared about her family very deeply. When we all went to First Baptist, she gave me Bible back in 1974 that I still use to this day. She even wrote in it for me. Our family has many fond memories of her. Hold your memories of her close to your hearts.  
Keeping you in thought and prayers

“ I will always remember Mrs. Greener from when I attended the First Baptist Church in Lewes. I went to school with her sons, Shawn and Dean and she was very close to my Grandmother. She Rests in Peace, because she is with her Savior.

“ Mom-mom was literally one of my closest friends. Expressing my gratitude for her life with words is just not possible. Anyone that knew her, surely considered her an absolute pleasure. We that were fortunate enough to call one another family, were blessed with the most precious gift.

“ Mom-mom~  
I thought of you with love today,  
But that is nothing new.  
I thought about you yesterday,  
And the days before that too.

I think of you in silence,  
I often speak your name.  
All I have are my memories,  
And your picture in a frame.

Your memory is my keepsake,  
With which I'll never part.  
God has you in his keeping,

I have you in my heart.

I was luck enough to call this amazing woman Mom-mom. She blessed all her grandchildren's lives with so much love. She was thoughtful and kind. She was strong and funny. She always had a story to tell. The love and traditions she shared with us will be passed on through our children for generations to come.
