“ I worked with Linda for about 10 years in Billing. She was always our go-to person. I don't think there was anything she didn't know. I hope you get that hot air balloon ride, Linda. That would really be "cool beans"....

“ Linda and I worked at Beene for almost 15 years. We had our moments but she had the biggest heart and graced me with that heart many times. I miss her already. We talked almost every week. I will still talk to her and she will still give me hell! Lol

“ I worked with Linda Keller for ten wonderful years. She was a dedicated employee who you could always count on. We both shared our love of sandals in the dead of winter. Only 6 inches of snow would get us out of them. She will be missed but always fondly remembered. Liza Oehling
