

Linda A. McMullan

December 18, 1948 - December 17, 2020

Linda A. McClellan McMullan, age 71 of Rehoboth Beach, passed away peacefully, surrounded by angels on Thursday, December 17, 2020 at her home. She was born on December 18, 1948 in Chester, PA, daughter of the late William and Lillian Levenstein.

Linda grew up in Chester, PA and was a graduate of Chester High School. She moved to Aston, PA where she raised her family. Linda built a lifelong career as a legal secretary, working for various law firms in Media and the greater Philadelphia area, including Marshal Dennehey Law Firm for many years. Following retirement to the Delaware Beaches, Linda's calling to be a legal secretary beckoned, and she went back to work for the State of Delaware Department of Justice.

Linda enjoyed travel, the beach and was a die-hard Philadelphia Flyers and Phillies sports fan. Above all, she cherished time spent with her children and grandchildren, who were her everything. Affectionately known as "Linnie", Linda's home was always open to her children's friends, and she took great pleasure in hosting them and making everyone feel welcome. She adored her grandchildren, the very apples of her eye. Grandma "Ninnie" never missed an opportunity to support them in their activities. She enjoyed watching Summer dance and Finn play sports. Linda was a loving and devoted mother, grandmother, and friend who will be deeply missed by all who had the good fortune to know her.

In addition to her parents, Linda was preceded in death by her brother, Bobby Levenstein. She is survived by her children: Kelly Ann Fusco and her husband Chris of Lewes, DE, and Kevin Arthur McClellan and his wife Jaimee of Glenside, PA; and her beloved grandchildren: Finnegan and Summer.

Memorial Contributions may be made in Linda's memory to the Tunnell Cancer Center, c/o Beebe Medical Foundation, 902 Savannah Road, Lewes, DE 19958.

Due to the Covid-19 Pandemic all services will be private. The family invites you to please

“ My condolences to Kelly, Chris, Summer, Kevin and Jamie. I have known and have very fond memories of "Linnie" since I met Kelly some 30 years ago. She was always so fun to be around and I shared many laughs with her and Kelly. She is truly missed but heaven has gained an angel. I'm sure she is in heaven drinking a dirty martini and eating a juicy steak. She fought until the end and now she is no longer in pain and in peace. Love you Linda -"Linnie"

“ I knew Linda since I was a child. She was fun, caring, and spiritual, but mostly I remember that she was the first working mom that I knew. She seemed to manage it all with ease. She was a role model for me. I was sad to hear that she suffered with cancer and thankful she is out of pain. Rest easy Linnie.

“ My first memory of Linda was the day she started at the DOJ. She tucked her head into my office (which we would be sharing) underneath all the webs and spiders that were covering every doorway and wall, ready to celebrate Halloween. The look on her face was priceless. Though I think she was a bit scared, we ended up being fast friends. Sharing so many memories of our families with each other and enjoying every accomplishment we each had with all of them. I will miss her bright smile and the way she always made me feel like I was the only one that mattered to her at that moment in time. I'm grateful to have had you in my life and I'm relieved you are no longer suffering. My deepest sympathies go out to your son and daughter and their families.....they miss you so. Please hug TracyLee and all my loved ones for me. I miss you dearly my soul sister.....until we meet again.

“ Oh Linda Lou, I'm so thankful for our friendship and the things we've shared. I'm proud to be a Delaware friend and we've shared quite a few December birthdays. We didn't get to scratch lottery cards this year, ☹️. Thanks for loving me and for being a Philly friend to this Sussex County girl. I'll never ever forget the love and friendship.

“ I will always remember the good times we had in school. Especially our 6th grade clarinet duet, "Moonlight and Roses". I am sorry I didn't get across the bay to meet up with you in recent years. My thoughts and prayers go out to your family during this difficult time. Rest easy, my friend, suffer no more.

“ I want to make a correction. Linda's daughter, Kelly and my daughter, Nicole Rohana were besties and shared the same birthday. They were a great family. Linda always spoke fondly of her family. They were the light of her life."..Linda was a fun loving woman, and I enjoyed being in her company
