“ Just learned of this from our daughter, Michelle. Our memories of Lora will live on. We may lose touch with people when they move, but that never means we forget all the fun we have experienced in the past with her and her family. She was a beautiful person and was glad we had our time together! Love - Bob & Jackie Crist

“ It's been very difficult for me to find the words and the realization I will never see or talk to her again. She was very special to me and truly had a heart of gold. I will miss her and our talks. I just can't believe it. I am truly heartbroken 💔.
