“ Carol was a friend, sister and mom to me all wrapped up into one lively and spunky package. I loved her dearly and was looking forward to being retirement buddies in Delaware, taking art classes and having happy hours. We shared a lot of laughs and helped each other through tough times always listening about our various woes. I will miss her so much and just wish I could have said one last goodbye and told her just how much she meant to me. Gone too soon. My deepest sympathies to Carol's family. I will never forget her. - Karen Obier
