“ I send my condolences to Patricia's family. I have known Patty for over 30 years. We worked together at Family Court in New Castle. We lived in the same mobile home park until her and Whitey moved to Sussex County. We hooked back up when my husband and I moved to lower/slower DE. After my husband passed we did a cruise together a few years ago. Plus we were both big animal lovers especially cats. I will always remember the parties we went to at the club, the gatherings at the camp grounds, and all the talks we had over the last few years. Patty you will be missed, you will be remembered as my friend. See you soon. Love you. Barbara Abbott

“ Mom, I will miss you so much. I have so many fond memories from when I was just a teenager who needed guidance when I was trying to find my way; and you were there just when I needed it. I remember all the laughs we had with Dad and the great times in Lower Slower Delaware...bet me! Your passion for rescues must have rubbed off on me as I will always have a soft spot for anything furry. Your love of cats was especially something I admired most about you. You accepted me without judgment and I will forever love you for that. Calling you Stepmother doesn't do you justice...You were Mother to me in every sense

of the word.
