“ I got to know Pat when he had a camper at Steamboat Landing. My grandparents had the lot next to him, we struck up a friendship, and became fishing buddies. I had the pleasure of spending many days on the Delaware bay fishing with him. My best memory was having the floor of the boat covered in bluefish. We caught so many, that towards the end they were biting on bare hooks. And when we finished cleaning the fish, he would always dump the slimy water from the cooler on his flowers around the camper, said it made them grow better. He also introduced me to my first taste of Jameson whiskey. Rest in peace my friend, and tight lines.

“ To the family of Patrick Harney - I just happened to read these obits online and am so saddened to read of Patrick's death. What a delightful man he was, and he gave good hugs. I knew him when I volunteered at the New Life Thrift Shop where he frequently shopped. We talked about our common love of Ireland, his brother, and many things of interest. I extend my sympathy to all of his loved ones.

“ For many years Patrick attended daily Mass at St. Jude's where I met and got to know him. He always encouraged me in my work for the parish as Director of Religious Education. He would tell me about his day and share stories about how his early life. He loved saving money at local thrift shops and using his savings to go on Irish themed cruises. Most of all, Patrick gave the best hugs! He loved life and we at St. Jude's loved him.

Eternal rest grant to him, O Lord, and may perpetual light shine upon him. May his soul and all the souls of the faithful departed rest in peace. Amen
