

Priscilla Alden Scudder

February 28, 1939 - September 19, 2020

Priscilla Alden Scudder, age 81 of Annapolis, MD, passed away on Saturday, September 19, 2020 at The Moorings at Lewes in Lewes, DE. She was born on February 28, 1939 in Manhattan, NY, daughter of the late Alden Smith and Edith (Fulde) Otis.

Mrs. Scudder was a proud graduate of Skidmore College and had been active in the Alumni Association. She was an unwavering volunteer for the American Red Cross, where she donated countless times to their blood bank over the years. Mrs. Scudder was an avid tennis player and could always be found reading a good book. During the time of raising her family in Annapolis, she was a devoted member of the First Presbyterian Church where she taught children's church. More than anything, however, Mrs. Scudder cherished time spent with those she held most dear. She was a loving and devoted mother, grandmother, and friend who will be deeply missed by all who knew her.

In addition to her parents, Mrs. Scudder was preceded in death by her beloved husband, Edward Davies Scudder in 1998; her brother, Gordon Otis; and her sister, Nancy Porter. She is survived by her daughter, Elizabeth Scudder of Steamboat Springs, CO; her son, Henry Gordon Scudder of Ocean View, DE; and her grandchildren: Theodore Heid, Shannon Scudder, and William Scudder.

Memorial services will be announced at a later date.

Memorial contributions may be made to the American Red Cross Chapter of your choice.

“ Priscilla was my neighbor in Annapolis in the 90's and I feel fortunate to have known her. She was kind and had such a sunny disposition and a lovely laugh that was a pleasure to get to know her. She was a very thoughtful person, and so very proud of her children. I always enjoyed talking to her and could not have had a better friend living next door.

I am sure her family will miss her, but will also have wonderful memories to keep in your hearts.

“ For Hank and Stacey,
I have known Pril all my life and there was never a time that we didn't have fun together.

I am only sad that in the last few years we did not see much of each other.

I had been in touch with her after Nancy died and we caught up a bit. That was before she moved closer to you guys.

Please know that I send much love to you and that the joy your family gave to Pril was truly so very special.

I hope there may be a time in the future that we will see each other.

Much love again!!!!

Always, Susie Ashbey Davis

“ I knew "Pril" only a short time, but she made a very positive impact on me and showed what a great person of character is supposed to be like.

“ To all of you in Pril's family,
We back in Annapolis at First Pres send you our love and wishes for peace. Your mom/grandmother was such a lovely lady and a joy to be around at our PWC meetings. We've missed her since her move to Delaware but know that she was happy to be near you all. May God wrap arms around you all as you mourn and may all of our memories bring some smiles as we remember her for the special person she was.

“ My deepest sympathy on your loss.
"Prill" was a lovely, kind, and sweet lady.
Always enjoyed talking with her on my visits to Annapolis Produce over the years.
She had the gift of making the day just a little bit brighter.
May she be at peace now.
