“ Renee was the best friend a girl (or guy!) could have. She loved unconditionally but didn't tolerate anything less than kindness, equality, honesty, and integrity from others. And if you were her friend or you were lucky enough to be on her radar, she stood for all of that for you too. She was a once-in-a-lifetime event and the world will miss her for filling any space she inhabited with light, love, and so much laughter. I know I will.

“ Steve, it was such a pleasure to meet you and Renee as part of CAMP Rehoboth's Membership Campaign in 2017. Renee had such energy and enthusiasm! Whenever I think of her, I smile. That's a great legacy for anyone to leave behind. You and your family have my sympathies...
