

Robert Albert Waegele Sr.

March 30, 1944 - January 5, 2021

On January 5, 2021, Robert “Bob” A. Waegele, Sr., devoted husband, father, and grandfather, passed away peacefully in his home at the age of 76.

Bob was born March 30, 1944 in National Park, NJ. He was born of humble roots and held many jobs early in life - a Mr. Softee ice cream truck driver, a vacuum salesman, a Mullica Hill Volunteer Fire Fighter and many others. In 1963 at the age of 19, Bob began working at the General Motors assembly plant in Newport, DE. He and his family moved to Delaware in 1970. While working full-time at GM, he attended Goldey-Beacom College where he earned his Accounting degree. He served on the UAW representing his colleagues with fairness and dignity. It was there that he cultivated a strong work ethic. He learned to prepare taxes, became an Enrolled Agent and started a tax preparation business, Greenbank Tax Service, on the front porch of his home in Marshallton, DE. Bob retired from GM after 30 years of service in 1993. He never really retired though; he loved to work, so he continued growing his business, eventually relocating to Rehoboth Beach, DE where he opened a new tax office, Shore Tax Service. He loved helping others, and he was always willing to lend a hand to anyone in need. He helped thousands of clients for 40+ years, and he volunteered his services to several charities, most notably the FOP Sussex County Lodge #2, who awarded him with their President’s award in 2020.

Bob was not only an accountant; he could do anything, from plumbing and carpentry, to electrical and mechanical work. He was a jack of all trades. He enjoyed working, you rarely found him on the couch in front of the TV (except to watch the Phillies or Notre Dame). If he wasn’t in his office, he was working on projects in his yard or house. He loved his Harley. He was known for his “dad jokes”, he always had one ready for you, he enjoyed his rum and cokes and Monkey Bones at the Purple Parrot, he was a terrible speller, and he had a soft spot for dogs. He enjoyed playing Mexican Train and Hand & Foot and camping with his family and friends at Knoebels and Cherrystone.

He loved to travel and was fortunate enough to be able to do so with his wife Joan and their dogs. They traveled to every state, except Hawaii in his RV, including Alaska! (He

did, however, fly to Hawaii once!). Bob was a member of the American Legion Stahl Post 30, American Legion Post 28, Delaware Happy Campers, Delmarva Winnies, and the Friday Morning Bikers Breakfast Club. He will be missed by not only his family and friends, but by thousands of clients he has helped over the years. Despite his humble roots, Bob proved the value and rewards of hard work. In doing so, he provided a full life of everlasting memories to his family, who continue to uphold the work ethic he instilled in them.

Bob was predeceased by his mother and father, Francis and Clara; his brother, Paul; his sisters: Clara Robb and Frances Waegele; and his dog Sadie.

Our hearts are broken, as Bob will be missed dearly by his wife, Joan Waegele; his children, Robert A. Waegele, Jr. (Mary); Leesa Hollenbaugh (Kenny); and his 5 grandchildren. He is also survived by his brother, Joseph; his sisters: Elizabeth Densten and Mabel Huff; and dozens of nieces and nephews.

A celebration of life will be held at a later date.

In lieu of flowers, the family asks for donations to the Delaware Humane Association or Sussex County FOP Lodge #2.

Special thanks to Season's Hospice for their compassion and care.

“ I'm saddened to hear of Bob's passing. As the current owner of Greenbank Tax Service, Inc., it's not a year that goes by that I don't think of my first year working and observing the business before purchasing. I was impressed with how much attention and patience he had with each and every client. He helped and touch so many individuals and will be missed. It was a privilege and an honor to have known and worked with him. May you rest in peace Bob and your memories be a blessing. Lots of love and blessing to the Waegele Family, Crystal Sparrow-Young.

“ Joannie, Leesa, Robbie and families, Bob was one of the most generous men we ever met. He was always willing to lend a hand to others. We remember the first time we met Bob. He made us feel so comfortable right away. We had recently moved to DE and needed to find someone to do our taxes. Not only did we find a great tax preparer, but a wonderful friend. Even as we are shedding tears for your loss, we are honored to remember one of the best people we ever met. His memory will live on forever. We are so sorry for your loss. Our thoughts and prayers are with you in this time of grief. Love, Ginny and John

“ Joan and Family, I will say that being one of Bob's neighbors was a very enjoyable experience here in Marshallton. He was always super friendly to us. He always seemed to be involved in fixing or creating something! Joan, I often said to you "You are so blessed to have Bob". You always responded, "I know I am". He will surely be missed by everyone who knew and loved him. My prayers go out to the entire family as you all walk through this valley. Know that God will walk with you. You will never be alone. May the "peace that passes all understanding" be present in your lives. I am so very sorry.

“ 50 years ago, as a young campaign manager for the fledgling Congressional campaign of Pete du Pont, Bob walked into my office unannounced and offered to help Pete and introduce him to key GM UAW leaders. Needless to say, I was quite surprise - actually stunned - to see a UAW officer willing to help. Pete and I were eternally grateful for his support - at considerable risk to his position. He was a good man. A very good man. Glenn Kenton

“ Leesa, I remember your dad back when we were in 5th grade. He was a lot like my dad — hardworking, more on the serious side but had a great sense of humor, loved his family and raised respectable children. He was still the same great man when we got older. You were lucky to have him! I love you, my friend. Sending you and your family lots of prayers and hugs.

“ Rob and Leesa, What a beautiful and inspiring life your father lived. To have been loved and to love so deeply is truly a gift that he was both given...and obviously shared with so many others. How fortunate for you, Joanie, and your entire family to have been blessed with the presence of such a caring, kind man.

Keeping you all in my prayers and asking God to heal your deeply hurting hearts. May you find comfort in knowing that the legacy of your father's life well lived lives on in each of you.

In friendship and love and with my deepest sympathies, wishing you peace,
Trish and Rick
