“ Corinne and I are sending our sympathies to the entire family. My oldest and dearest friend will be missed by his family and friends. Growing up with Roy at 23 Brewster Ave and the spending many hours at the sandlots were some of the best times of my life. Even though I did not see him much as we got older I would try and chat with him on facebook. RIP my friend. Jack LaTour

“ I am extremely saddened of hearing the passing of my dearest friend Roy. I first met Roy while teaching him Economics and Coaching him in baseball at Ridgefield Park High school in the early seventies. He was someone you could always rely upon to lighten up the classroom. Roy had a positive attitude in everything he did both in the classroom and on the ball field. We continued to become best of friends throughout the years as fellow colleagues. I was proud to see him rise up through the ranks from being a Business teacher to a Supervisor and ultimately a Principal. I send my deepest sympathy and condolences to his entire family and I wish you all well. Let the memories pick you up when you're sad.

Roy, when you make that team up in heaven don't forget to keep your head and eye on the ball!

Rest In Peace,

Your Teacher, Coach, and Friend
