“*My husband was a career army officer who served in Viet Nam for a year in 1969-70. My parents, Gee and Charlie (“Bunny”) Owens lived in Rehoboth , so I gathered up our young kids (7,2, and almost 1) and our 2 dogs and moved to the beach to be near the folks. I'm trying to remember exactly where and how I met Ruby, and I'm failing to do so. I just know it was my good fortune to “find” her. Military wives were almost unheard of in the area, but Ruby seemed to instantly understand my challenges as a single mom with a husband so far away in tenuous circumstances. She was a dear and supportive friend, but even greater than that, she was always a breath of fresh air.... we laughed a lot!!! Larry retired from the army in 1980 and began his second career as a civilian. Currently, we're in our 27th home. We've lived in exciting places, such as Iran, and some less exciting, but one of my favorites was the year I spent in Delaware, sharing adventures with my lovely friend Ruby.*”

“ Eric, Jeff and family, my thoughts are with you at this time. Ruby was one of my longest and dearest friends and I will miss her. We had some great times and some sad times together through the years but she always managed to come out with a smile and laugh. Remember your mom that way because she could “light up a room”. She was a wonderful person and friend. She will always be in your hearts. Ginny Joseph kauffman

“ My condolences. I loved Ruby. She was kind and loving. She had such a vivacious personality. She always seemed to shine a little brighter. I'll never forget her kindness when I was a troubled youth. God bless all family and loved ones who have survived her.
