“ Miss. Sherry was a wonderful woman with a heart of gold. I was lucky to have her from Pre-K all the way to my HS graduation... she was super involved in the first ever hearing impaired program at Cape. Colby, Rianna and I saw many different teachers of the deaf and interpreters over the year but Miss. Sherry was our one constant.

Miss. Sherry was basically my second grandma. She always had extra sweets to share, words of wisdom to pass along and comforted me when I needed it. She is missed terribly.

I am thinking of you and your family. I'm so sorry for your loss, Tammy and James. I know how much she loves James and hope he is doing well!

“ Thank you Maggie. She spoke about you often. She really thought a lot of you. Thank you for your kind words. Leslie and I are holding up even though it's difficult. I don't think James grasps it that his mom mom is gone with him being autistic. Hopefully in time he will accept she isn't coming back.

“ I am so sorry for your loss. Miss Sherry was a para in my Kindergarten classroom with the hearing impaired program. She was ALWAYS a joy!!!! Always smiling, kind, helpful to all and a wonderful woman. Miss Sherry lit up our classroom when she walked through the door. She will be missed.

“ Thank you. Mom loved her job. She always talked about one little girl in particular named Maggie. She adored that little girl

“ Another classmate has left this world. Not sure if I'm sad or happy for her. She was always smiling in high school and had a good outlook on life. When you loose contact with classmates and they die, you get flooded with long ago memories that can make you smile, laugh and say she must have had a full life. You will be missed Sherry by your grandson and your whole family. May a whole new adventure carry you forward to what God has planned. Prayers to your family, Shirleena Mae Williams Merritt.....(Sherry to her classmates). Hugs from MaryBeth Foster Hibbert 2021
