“ Terri was my best friend all through elementary school (Lore School). She was so beautiful and always the smartest in our class! How I begged my mother to let me put a big bow in my hair each day just like Terri. I have such a wonderful memory of this precious friend and pray for peace for her family at this time. With love, Judy Ventresca Stephenson, Charlotte NC.

“ Terri was our sister in law. For (John welsh and Susan Kirschner welsh). We had several happy memories. We went to Niagara Falls Canada and stayed at a lovely bed a breakfast. We rode the boat the maid of the mist up to the falls and we all got very wet , but it was so much fun. We also went on a cruise to the Panama Canal and 5 other ports and had a terrific time Terri and Rich were a great couple to be around. My husband would play golf with Rich and then Terri and I would go shopping. Once the men were playing golf and Terri and I took the ship over to Cape May. So we have many happy memories. They both will be deeply missed. It's very sad that Terri had Alzheimer's and Rich had Cancer. They both are together now , healthy and in a better place. Much love to their families and hope for happiness. Love John and susan welsh ❤️❤️❤️❤️
