“ Sending my condolences to the family. I am remembering all the fun times our families had together when we were kids. Boyd could always make us laugh; he had a great sense of humor. I know there were lots of rough times for him in years past. I hope you are now at peace Boyd.

“ One of my closest childhood friends has left many memories for us all. I will treasure the good times we had growing up. May you finally be at peace, Boyd. And may your family and friends find comfort in that too.

“ Boyd I met you in 1977. We were introduced by my best friend Eleanor Snedeker. You were always kind and always had something funny to say. I have alot of memories of you from Gunning Bedford Middle School to High School. Rest in peace my friend. Thoughts and prayers to your family.
